

We have peeked into heaven and saw the New Jerusalem more beautiful than a bride all decked out for her husband on their wedding day.

We considered its walls, its gates its foundations and its size.

No Temple (center of Worship, place to meet God on earth), now not needed as we will be in the very presence of the triune God.

Jesus Christ the Lord is the Lamb and the Light. John 1:7-9; 3:19; 8:12; 12:35; I John 1:5-7

III. THE CITY AND ITS COMMUNITIES vs. 26-27; 22:3-4

IV. THE CITY AND ITS STREETS, RIVER AND FRUIT 22:1-5

The River coming out of the Temple in Jerusalem - Ezekiel 47:1-12

The River coming out of the center of the New Jerusalem.

Some believe a river will flow out of all 12 gates in the center of each street of gold.

The Trees seem to have the same descriptions and purpose in the earthly Jerusalem of the Millennium and New Jerusalem from Heaven.
